

South Carolina Regional Transmission Planning
Stakeholder Group Meeting

April 18, 2017, 2:00 PM – 3:30 PM

Web Conference Only

The Attendees List is below.

The purpose of this meeting was 1) for the SCRTP Stakeholder Group to select up to five Economic Power Transfers to be studied, 2) to provide an update on Regional and Interregional activities, and 3) provide an update on CTCA/SERC/ERAG/Multi-party studies.

The welcome introductions were made by Clay Young (SCE&G) and Tom Abrams (Santee Cooper).

Clay Young reviewed the purpose and goals for the meeting.

Jeff Neal (SCE&G) reviewed the rules associated with stakeholder selection of the five power transfer studies, facilitated the discussion and the selection process. The five transfers selected by the stakeholder group were:

#		Source	Sink	Amount (MW)	Year	Study Conditions
1	SC	DEC	300	2020	Summer	SCPSA PM
2	SC	DEP	300	2020	Summer	SCPSA PM
3	SOCO	SCE&G	300	2020	Summer	SCE&G PM
4	SOCO	SCE&G	300	2021	Winter	SCE&G PM
5	DEC	SCE&G	300	2021	Summer	SCE&G PM

Clay Young (SCE&G) provided an update on SCRTP activities associated with Regional and Interregional processes.

Weijian Cong (Santee Cooper) discussed the Multi-Party Assessment Studies process for CTCA, SERC, LTSG and ERAG.

Clay Young discussed plans for next SCRTP Meeting.

Clay Young and Tom Abrams adjourned the meeting.
